

Only to be completed by applicants under the age of 21.

I/we, the undersigned, specifically understand that automobile racing is classified as an adventure recreational sport activity, and that there are inherent elements of risk always present in any such activity, despite all safety precautions. I/we fully acknowledge and accept such risks. Drivers and others who are admitted access to the pit area are primarily responsible for their own safety. If contact occurs between a race car and an individual, the risk of serious injury or death is very high.

I have discussed the event that I wish to participate in with my parents or legal guardians and they have explained to me the possibility of my being injured. I understand what they have explained to me and I know that I can be injured, possibly severely or even worse.

I am willing to assume the responsibility of this in order to participate in the event.

I also agree that, at any point, if I feel endangered either by my own actions or those of others, that I am free to withdraw from the event and will do so of my own free will.

I know that I am not giving up any of my rights and that I and my parents or legal guardians are in agreement that it is OK for me to participate.
